We are Roots Company, a food supply company based in Taipei and the largest distributor of Argentinean food in Taiwan. We also operate in other markets such as Morocco, Czech Republic, and Vietnam.

Currently, we are looking for an intern to join our Graphic Design and Marketing team.

Responsibilities:

- **Collaborate in the design of marketing and advertising materials such as brochures, banners, videos, among others.**
- **Assist in social media management and content creation.**
- **Support in the organization of marketing for food events.**

Requirements:

- **Studies in Graphic Design, Marketing, or related fields.**
- **Basic knowledge in SEO and social media.**
- **Creativity and communication skills.**
- **Native Chinese language.**
- **Fluent in English.**

We offer a flexible schedule and the possibility of working remotely. The duration of the internship is 3 to 6 months.

Additionally, as part of the benefits of working in our company as an intern, we offer:

- **Developing networking to integrate into the job market.**
- **Assistance in business events and meetings.**
- **At the end of the internship, we grant an economic bonus for achieving objectives and completing the internship.**

If you meet the requirements and are interested in the position, send us your resume and portfolio!
