

Job Description

Job title: 2024 Investment Banking Summer Internship Program – Taiwan
Corporate Title: Analyst - Intern
Division / Department: Investment Banking
Location: Taiwan

Who we are

Nomura is a global financial services group with an integrated network spanning over 30 countries and regions. By connecting markets East & West, Nomura services the needs of individuals, institutions, corporates and governments through its three business divisions: Retail, Wholesale (Global Markets and Investment Banking), and Investment Management.

Founded in 1925, the firm is built on a tradition of disciplined entrepreneurship, serving clients with creative solutions and considered thought leadership. For further information about Nomura, visit www.nomura.com

About our team

Our Investment Banking ('IB') group provides a variety of advisory and capital-raising solutions to corporations, financial institutions, private equity, governments and public-sector organizations around the world. Collaborating across geographies, industries and products, we provide comprehensive and innovative financing, advisory and risk solutions to our clients. With our long and proven track record of building financial markets in Asia coupled with deep experience in growth markets, we are in a unique position to deliver the fastest growing region to issuers and borrowers alike.

About the Program

Being part of our Summer Internship Program means you will gain first-hand experience and insights to a career in IB. You will have the opportunity to get a feel of our culture, acquire valuable on-the-job training and expand your network. This program is a key pipeline to our Graduate Analyst Program in Asia.

The Summer Internship Program will commence in June 2024 and run for nine weeks at our Taipei office. You will be provided with orientation and induction training in the first week, which will typically comprise of business overview sessions where you will learn more about our products, businesses and meet with different representatives across the firm.

After induction, you will work alongside our investment bankers on different projects. Our goal is to give you a meaningful internship experience and help you develop by providing you with significant and diverse responsibilities throughout the program.

About You

At Nomura, our goal is to attract and develop exceptionally talented people who share our passion for individual excellence and our commitment to teamwork. We are looking for individuals with outstanding academic and extra-curricular achievement, who will be able to withstand the rigors of a rapidly changing, demanding but ultimately rewarding environment.

While no specific advanced degree or path of study is required, we look for team players who are curious with strong quantitative skills and a keen interest in business and finance. Other common traits amongst our team are intelligence, curiosity, diligence, integrity and the willingness and capability to thrive under a challenging environment.

Eligibility

We welcome diversity in our teams and would encourage students from all background and disciplines who are in your penultimate year of study to apply.

Candidates applying for this Summer Internship program must be available to commit for the entire duration of the Summer Internship (June to August 2024) and commence for Graduate Analyst Program in July 2025.

Fluency in written and spoken English and Chinese/Mandarin -is required.

Application Deadline

Please apply directly online at <https://www.nomura.com/asia/careers/students-and-graduates/#section-apply>

Please apply before 11:55pm, Tuesday 31 October 2023 (CST).

For inquiries, please email campusrecruitingaej@nomura.com

Please note that you can only apply to one opportunity globally per academic year. We review applications on a rolling basis and interviews can be arranged prior to the application deadline. We encourage you to apply as soon as you are ready.
